The Permanent Mission of Turkmenistan to the United Nations Office at Geneva presents its compliments to all Permanent Missions to the United Nations Office and other International Organizations at Geneva, as well as to all international organizations at Geneva, and in addition to the Permanent Mission’s Note Verbale with reference 01-08/557 dated 29.05.2020, has the honour to inform them that Turkmenistan has revised its measures on prevention, suppression and response to the spread of the Covid-19, applicable for all travellers, entering Turkmenistan by air (all types of business aircrafts and charter flights), land and water transports, as follows:

1. The temporary suspension of entry into Turkmenistan of foreign nationals, previously announced, now has been extended until 20 July 2020 (inclusively).
2. All travellers entering Turkmenistan, both Turkmen and foreign nationals, are required to possess a medical certificate proving a Covid-19 negative status, issued by a competent health authority of their residing country no more than 72 (seventy-two) hours prior to the date of travel.
3. Upon arrival in Turkmenistan, all travellers, both Turkmen and foreign nationals, will be accompanied to a reception center where they will test for the Covid-19 and be asked to stay pending laboratory results.

- In the event that one or more travellers are tested positive for the Covid-19, other accompanying passengers will be subject to a 14-day quarantine;
- In the event that all travelers are tested negative for the Covid-19, they will be allowed to leave for their respective homes with a 14-day self-isolation under supervision of local health officials.

The Permanent Mission of Turkmenistan to the United Nations Office avails itself of this opportunity to renew to all Permanent Missions to the United Nations Office and other International Organizations at Geneva, as well as all international organizations at Geneva, the assurances of its highest consideration.
