

## Customs formalities, goods transport Bosnia-Herzegovina

The following documents are required:

### ***For the carrier***

- appropriate bilateral or ECMT authorisation.

### ***For the driver***

- valid passport;
- valid entry visa (NB: as visas are not issued at border crossing points, drivers must apply to the consulate in their country of origin. Prices vary according to the country in which the visa is issued.)

### ***For the vehicle***

- green international insurance card is valid for vehicles from the majority of European countries (additional insurance not required for the driver).

### ***For the transport operation***

- standard multilateral bill of lading;
- certificate of origin of the goods.
