

Alcohol limits for drivers, China

According to Article 22 of *Law of The People's Republic of China on Road Traffic Safety*, Motor vehicle drivers shall abide by road traffic safety laws and regulations and drive the vehicle safely and courteously according to the operation rules. Whoever has drunk alcohol or taken psychotropic drugs or narcotics controlled by the State or is suffering from a disease which impedes him from driving a motor vehicle safely, or is too tired to drive safely, shall not drive a motor vehicle.
