

## Customs formalities, goods transport Latvia

**For the driver**, the following documents are required:

- valid passport;
- a visa must be obtained at the customs post on entering the country. NB: A visa for one of the Baltic Republics (Estonia, Lithuania, Latvia) is valid for all three, therefore it is necessary to have a visa only for the first country visited;
- national or international driving licence
- valid health and life insurance policies which guarantee the payment of medical care and repatriation in the case of serious illness or death (policies are checked only if there is some doubt as to their existence).

**For the vehicle**, the following documents are compulsory:

- green international insurance certificate;
- vehicle registration certificate;
- certificate of approval for TIR traffic;

**For the goods**, the following documents are required:

- TIR carnet;
- CMR.
