

Customs formalities, goods transport Russia

The following documents are required :

For the carrier

- ECMT authorisation, or bilateral or transit transport authorisation;
- ADR authorisation.

For the driver

- passport with visa;
- national or international driving licence, according to the terms of the bilateral agreement;
- AETR record sheets (tachograph discs);
- employment certificate drawn up by the driver's employer.

For the vehicle

- registration certificate;
- technical inspection certificate;
- third party risk insurance must be taken out at the Russian border;
- sign indicating the country of origin of the vehicle;
- in the case of a hired vehicle, copy of the contract or proof of hire.

For the transport operation

- TIR carnet, or failing this the carrier can use an internal transit document (DCD document);
- certificate confirming the discharge of the goods by the Russian Customs (this is checked by the customs authorities when the vehicle leaves Russian territory);
- CMR international consignment note.
