Pre-payment of motorway tolls is possible using either the DARS card or toll vouchers.

1. DARS card is a pre-paid smart card which can be used for all classes of vehicles. It can be purchased at all the bigger "PETROL" petrol stations in Slovenia, and is also on sale near border crossing points.

2. Toll vouchers are paper coupons which are transferable from one vehicle to another and have no date limit. They can be purchased from two companies:

a. Podjetje za vzdrževanje avtocest (motorway maintenance company)

Gric 54
SI - 1117 Ljubljana
Tel: (+386 1) 518 8314
Fax: (+386 1) 518 8301

On receipt of payment, the company issues a receipt which will be sent to the office selected by the user for the retrieval of the vouchers. Users may choose to pick up their vouchers and receipt from the following offices:
