

# CPC Driver ME (Middle East)

## Train the Trainer

### Course Outline

#### Course Duration

This course will take place over 4 days.

#### Target Audience

This course is intended for any instructor from an existing or potential IRU Academy Accredited Training Institute (ATI) that will be delivering the CPC Driver ME programme.

#### Course Summary

This course will equip instructors with the background information, knowledge, methods, and tools to establish and deliver high quality CPC Driver Trainings. During this course, information, teaching references and resources will be presented and reviewed and instructors will be continually asked to contribute their know-how through interactive exercises and activities.

#### Course Objectives

At the end of the course, participants should be able to:

- Use the IRU Academy resources as a form of instruction
- Use the IRU Academy reference material in training course delivery
- Identify and use the best teaching method
- Refer to relevant International agreements and other applicable legislation
- Guide trainees through exercises and review activities
- Prepare the trainees to successfully undertake examination
