Promoting Innovation to Enable
Global Transport Connectivity

The 15th CHINA TRANSPPO

The Ministry of Transport will convene the Global Sustainable Transport Forum (2023) on September 25-26, 2023. And the 15th International Exhibition on Transport Technology & Equipment (hereinafter referred to as the 15th CHINA TRANSPPO), co-organized by the Global Sustainable Transport Innovation and Knowledge Center (hereinafter referred to as the GSTIKC) and the China Academy of Transportation Sciences, is scheduled at the same period (September 25-27, 2023).

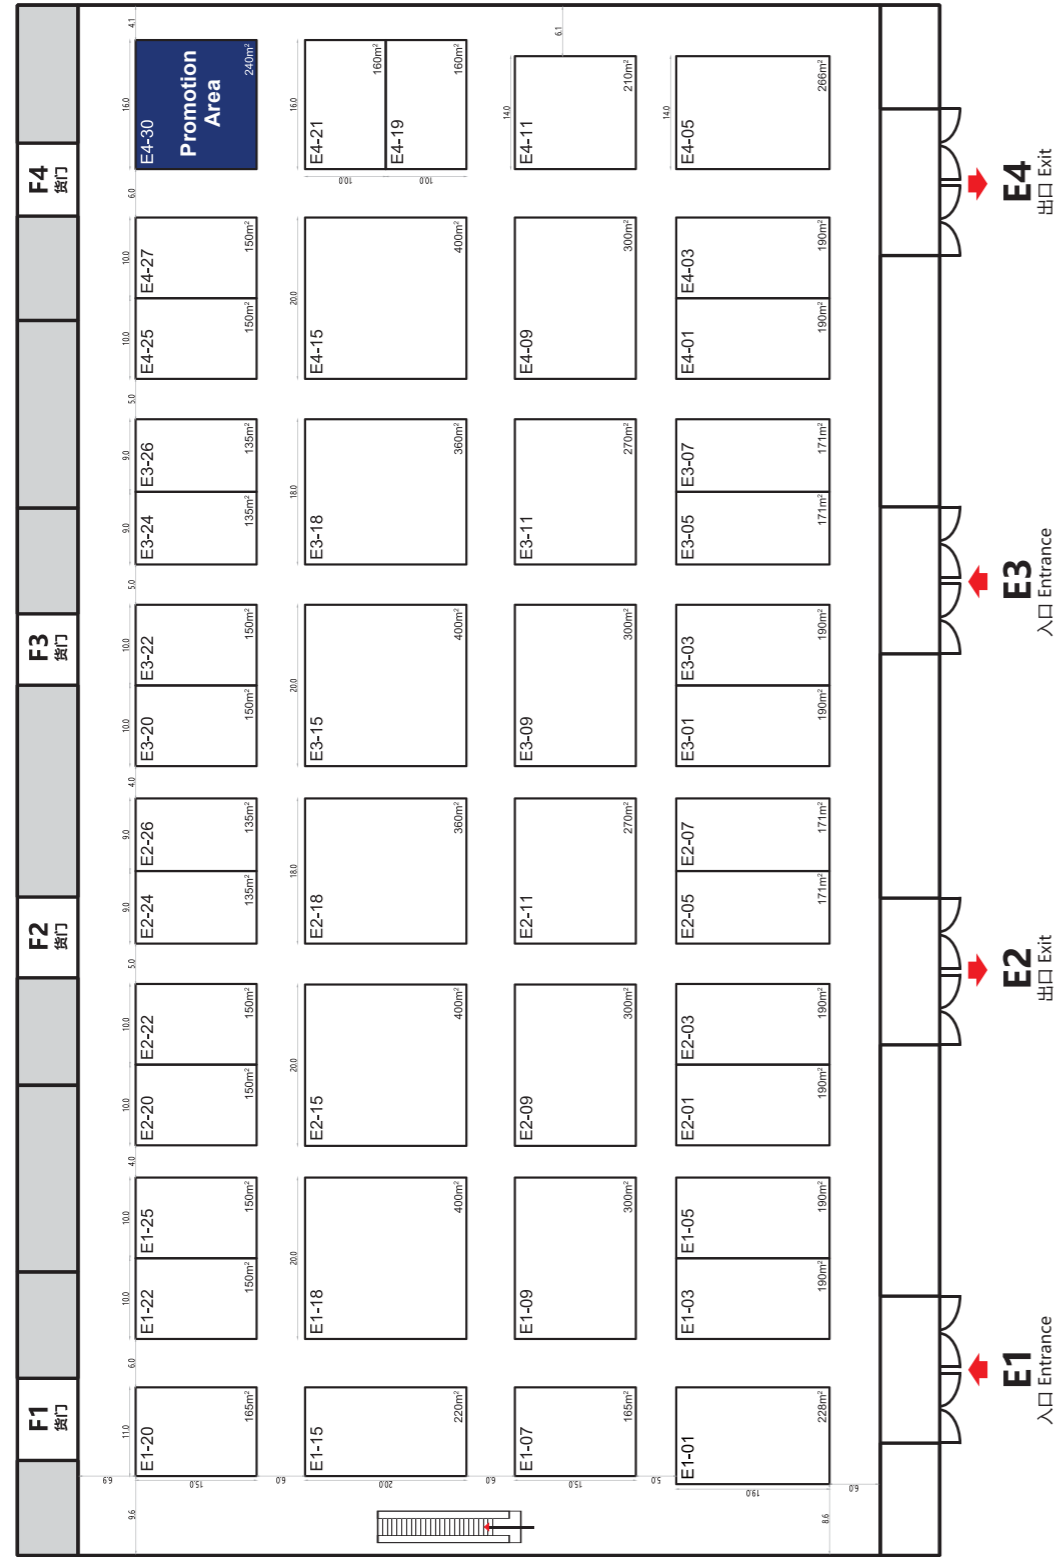

CHINA TRANSPPO is the only international exhibition of transport industry held by the Ministry of Transport. Under the theme of Promoting Innovation to Enable Global Transport Connectivity, the 15th CHINA TRANSPPO is an important move to implement the visions put forward by General Secretary XI Jinping of the People's Republic of China in his keynote speech on the opening ceremony of the 2nd United Nations Global Sustainable Transport Conference and the congratulatory letter to the establishment of the GSTIKC, in the form of exhibition of advanced technology and equipment. The 15th CHINA TRANSPPO will provide a platform for cooperation and communication between industrial enterprises and local governments, and for global cooperation in sustainable transport, highlighting the idea of "Innovation is the Foremost Driving Force" and the core concept of "Staying Connected with the World and Abreast with the Times".

**Transport Minister Li Xiaopeng's remarks
on the Press Conference held by the State Council
Information Office on February 23:**

“ Under the theme of Promoting Innovation to Enable Global Transport Connectivity, the 15th CHINA TRANSPPO will form a brand-new platform for the publicity and promotion of sustainable transport technology, equipment, standard and practice, in particular the latest breakthrough and achievement in the development of intelligent transport infrastructure, new transport equipment and smart transport operation service from both domestic and abroad. ”

Exhibition Area

Covering 22,000 square meters, the exhibition space is divided into three areas, namely Transport Achievement in China, Modern Transport Technology & Equipment, and Future Transport Innovation. The latest breakthrough, achievement in intelligent transport infrastructure, new transport equipment and smart transport operation service of railway, highway, waterborne transport, civil aviation and postal service industries will be the highlights.

Sticking to the theme of the exhibition and widely converging quality resources of the industry, we will organize onsite events including thematic forums, business talks, launch events, signing ceremonies, scientific interactions and various online activities including online exhibition, online talks, streaming and other online services through cooperating with related departments, industrial associations and societies among other partners to promote in-depth exchange of technological progress and commercialization of research findings.

Department heads of competent governments, representatives of institutions, experts and scholars around the world will be invited to attend talks and workshops of various topics, sectors and levels. Leading enterprises and related stakeholders in the fields of railway, highway, waterborne transport, civil aviation, postal transport, city transportation and emerging transport business are welcome to the 15th CHINA TRANSCO with your applied technology, patented product, latest equipment and solution, making contribution to improving industrial exchanges across borders and accelerating the construction of a country with strong transportation network. Together, we will create a better future for transport development.

HISTORY REVIEW

The 14th CHINA TRANSPO, held on May 28-30, 2018 in China International Exhibition Center and took the theme of Led by Science and Technology and Driven by Innovation, Striving for the Construction of a Country with Strong Transportation Network, was a display platform of new achievement, idea, technology and equipment. Over 640 enterprises, mainly industrial leaders like CRCC, CREC, China Post, CRRC, Qingdao Port, XCMG, YUTONG, HUAWEI, Tencent and BCHD exhibited, covering 70,000 square meters. More than 22,000 professional visitors from 40 countries and regions toured the exhibition.

The 14th CHINA TRANSPO displayed the latest achievements in the development of railway, highway, waterborne transport, civil aviation and postal service, which publicized the pattern and progress of transport development in the new era and had become an important window through which the public could learn about our effort to build strong transportation network in China.

In parallel with the exhibition, we held a series of side events including the Smart Mobility Thematic Report, 2018 China Intelligent Transport Industry Technological Innovation Forum, the 2nd International Forum on Zero-Emission City Transport, Safety Transport Innovation Workshop, Transport Technological Innovation and Transfer Summit, 2018 Passenger Vehicle Technology Development Forum, 2018 Road Transport Safety Forum, etc., presented by almost 1000 experts, scholars and professionals all over the country. 交通天下 创新引领

第十五届国际交通技术与设备展览会

交通运输部将于2023年9月25日到26日在北京举办全球可持续交通高峰论坛（2023），并同步举办第十五届国际交通技术与设备展览会（9月25日-27日）。第十五届国际交通技术与设备展览会由中国国际可持续交通创新和知识中心、交通运输部科学研究院共同承办。

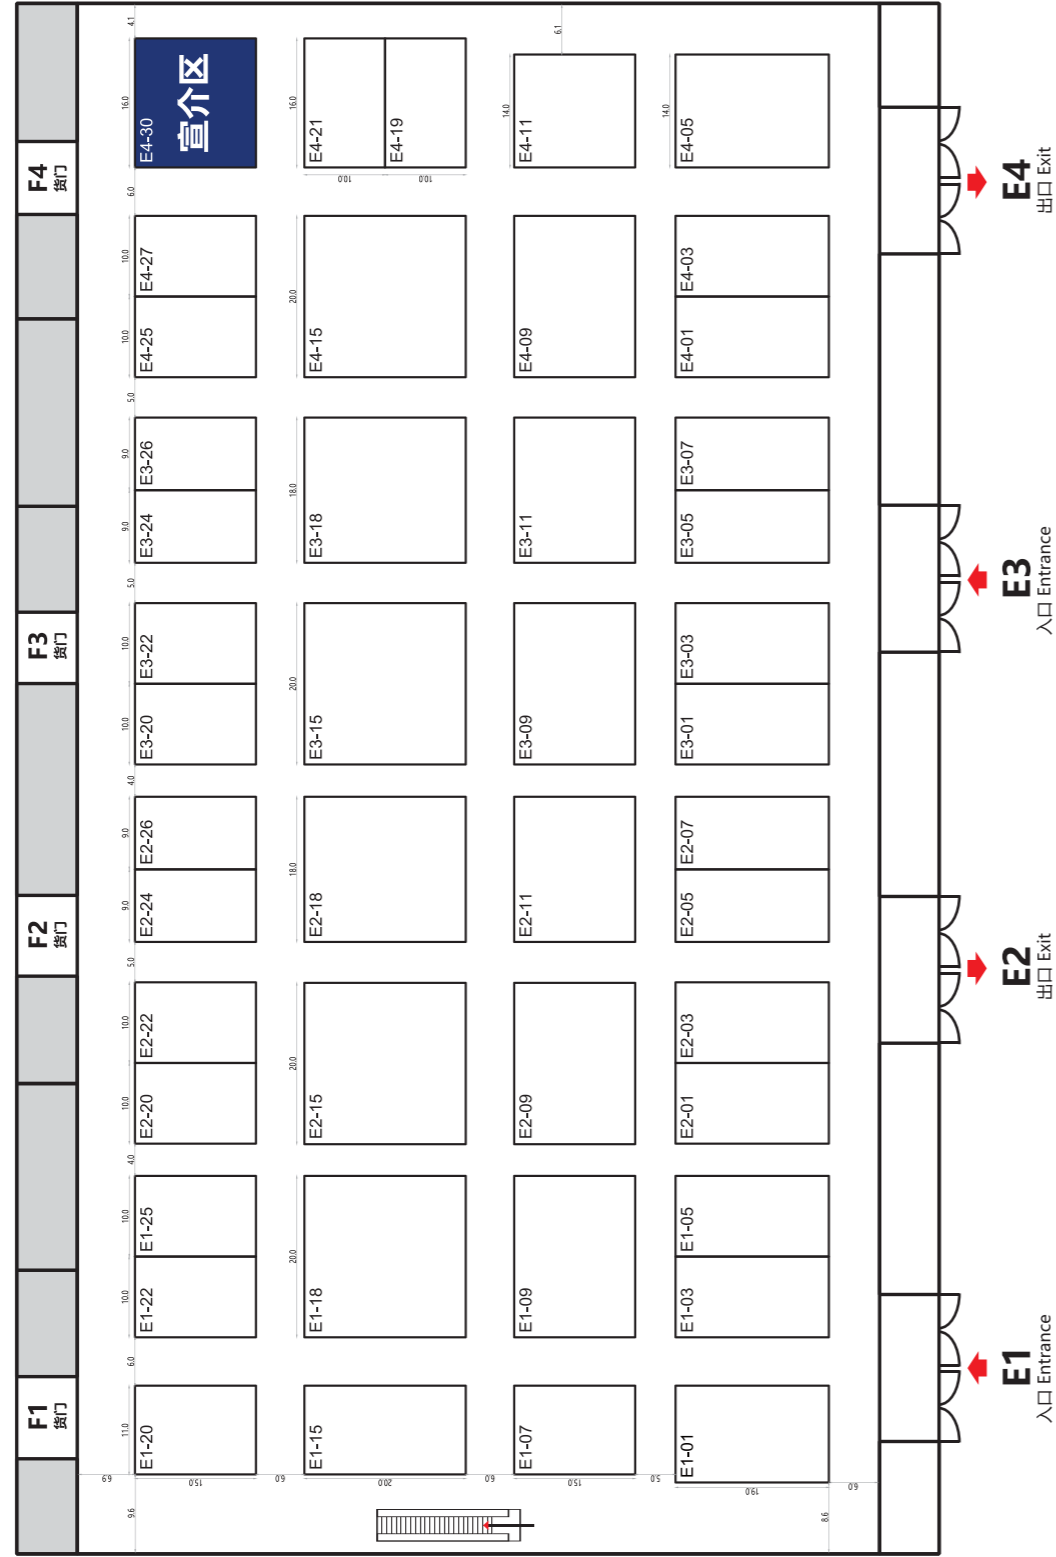

国际交通技术与设备展览会是唯一由交通运输部主办的国际性专业展览会。第十五届国际交通技术与设备展览会将以“交通天下、创新引领”为主题，旨在贯彻落实习近平总书记在第二届联合国全球可持续交通大会开幕式上的主旨讲话精神和致中国国际可持续交通创新和知识中心成立的贺信精神，以先进技术设备展示交流为载体，为国内外交通及相关领域企业和地方政府部门交流合作搭建平台，促进全球交通交流合作，突出体现“创新是第一动力”的理念和“与世界相交、与时代相通”的核心主张。

交通运输部部长李小鹏
在2月23日国新办新闻发布会上介绍

“第十五届国际交通技术与设备展览会将以“交通天下、创新引领”为主题，重点展示国内外在交通运输基础设施智能升级、新型交通设备研发、智慧化交通运营服务等方面的新技术、新突破、新成就，为宣传和推广可持续交通技术、设备、标准、经验搭建一个全新的平台。”

展区规划

第十五届交通展总面积约为2.2万平方米，设置“主题成就展区”“现代交通技术与装备展区”“未来交通创新展区”三大板块，重点展示交通运输基础设施智能升级、新型交通装备研制、智慧化运营管理、创新性服务等方面的新成就、新突破、新方向，全方位展示铁路、公路、水运、民航、邮政等综合交通运输发展的最新成果。

展会同期将围绕本届交通展的主题，广泛汇聚行业优势资源，通过与相关部门、行业学（协）会以及研究机构、社会企业等单位合作，组织多场平行论坛、交流洽谈、成果发布、项目签约、科普互动及“云参展”“云洽谈”“云直播”“云服务”等形式多样的活动，深入开展技术成果交流，促进成果转化。

诚邀行业主管部门领导、国内外机构代表、知名专家、学者，从多角度、多领域、多层次开展交流与探讨；诚邀国内外铁路、公路、水运、民航、邮政、城市交通及交通运输新业态等领域的头部及上下游知名企业携技术应用、产品专利、装备及解决方案等最新成果参展，增进中外交通行业交流学习，加快交通强国建设，共创交通事业美好未来！

上届盛况

“第十四届国际交通技术与设备展览会” (CHINA TRANSPOT) 于2018年5月28-30日在北京中国国际展览中心 (新馆) 成功举办, 展会以“科技引领、创新驱动, 奋力推进交通强国建设”为主题, 集中展示了我国综合交通运输发展的新成就、新理念、新技术、新装备。包括中国铁建、中国中铁、中国邮政、中国中车、青岛港、徐工、宇通、华为、腾讯、首发等众多行业领军企业在内的640家单位参展, 展览面积达7万平方米, 共有来自40多个国家和地区的近2.2万名专业观众到场参观。

第十四届交通展向社会公众全方位展示了铁路、公路、水运、民航、邮政等综合交通运输发展的最新成果, 成为社会公众了解新时代交通发展脉络、感受新时代交通发展成就、关注新时代交通强国建设进程的重要窗口。

在展会同期举办了智慧出行专题报告会、2018中国智能交通产业技术创新论坛、第二届城市交通零排放出行国际论坛、平安交通创新交流研讨会、交通运输科技创新与技术转移高峰论坛、2018客车技术发展论坛、2018道路交通安全论坛等。吸引了来自全国二十多个省市的近千名专家、学者和专业人士与会交流。同时, 参展企业还自发组织召开了近30场新品发布、技术推介和现场签约等活动。
